

Paralegal Studies

The Legal Studies program under Social Sciences Interdisciplinary at the University at Buffalo is developing a new opportunity in collaboration with Continuing Education.

This program operated previously through UB's Millard Fillmore College (MFC).

New Paralegal Studies: Continuing and Professional Education
Online beginning soon (start date TBD)

- Paralegal Studies will be transitioning to a 4-course continuing education program.
- This program will be ideal for career changers or participants who want to gain employment in the paralegal field.
- These courses will be at a lower cost and do not carry college credit.
- Courses will provide you with the educational needs to enter the paralegal field.
 - ***NOTE: Currently there are no regulated licensing requirements to work as a paralegal in New York State.***
- Participants will need to complete all 4 courses in order to receive the certificate.
- Students can take one of all courses as needed.
- All courses will be offered online.
- Participants must have at least an associate's degree or 60 college credits.
- Financial aid is not available.
